

'Rollet' offers fantastic value for money, highly economical and tough foot grille that is available in both closed or open construction, roll-able, silent and sustainable.

'Rollet' is first choice for most common applications. Rollet is made of heavy gauge warp resistant aluminum and Rubber wipers.

'Rollet' is available in ½" (12mm) & 7/10" (18mm) thick.

Tough 'Rollet' does not break or shear under foot or rolling pressure.

PROSPEC 'Rollet' Mats are roll-able for periodical cleaning and maintenance. Durability and effectiveness ensure low life-cycle costs.
