

'Cocomat' is PVC backed with 100% natural fiber. 'Cocomat' is available in 13/20" (17mm) & 9/10" (23mm) thickness. Elegant natural coconut velour color is highly appreciated by Interior Designers.

PROSPEC 'Cocomat' comes in 6-1/2' (2000mm) wide rolls that can be easily unrolled and rolled back or cut-to-size for placing in mat-wells or used like area rugs. Due to wide roll size, mat has minimum visible joints.

'Cocomat' is suitable for Boutique Hotels / Resorts, Showrooms, Luxury Villas / Apartments, Golf Course, etc.

'Cocomat' is made of all natural coconut velour and thus contains the goodness and elegance of nature. Regular maintenance is recommended to keep your 'Cocomat' in attractive condition.

Sample Specification: Provide 13/20" (17mm) & 9/10" (23mm) thick PVC backed 100% natural coconut velour mat, model 'Cocomat' by Prospec Specialties.
